Hi Tom!

Now that we are settled down in North Carolina, we just wanted to drop you a note and thank you for all of your help in selling our New York house. It was a pleasure dealing with you. The reason we selected you as our agent is because you listen. Most agents are full of themselves and never stop talking. We appreciated the fact that you respected what we had to say, and that you never pressed us on a course of action. You only advised us of what you thought was best, but the final decision was always up to us. I can say in hindsight that we wished we listened to you more often. You were definitely on target with the rough market we went through. All in all, it was fantastic that we were able to sell our house in less than 3 months in a declining market.

Best of luck to you in the future! If you are ever down in NC, feel free to give us a call. We have a few beers to catch up on!

Best regards,  
Christian and Marcela
